We are very proud to offer the world famous and celebrity acclaimed FAKEBAKE tanning products here at Nailco Beauty Bar. Our tans promise to give you that beautiful, flawless natural tan you seek, every time!

We have two types of tan for you to choose from;

Option number one is FAKEBAKE'S traditional spray tan. It develops overnight / an 8 hour period and we have a variety of shades for you to choose from.

We also offer the '60 Minute Tan' which contains cutting edge accelerators meaning it can be washed off after only 1 hour! These unique ingredients are activated when water hits the skin so the shade continues to darken even after washing it off.

Our therapists will discuss your desired look and shade pre-tan and we promise you will leave glowing!
